## Top Skills

Certified Software Quality Engineer  
Cloud Storage  
School Management

# Manish N Devadiga

MERN Stack Developer | Java Spring boot | Advanced Javascript  
Udupi, Karnataka, India

## Summary

I believe in continuous learning and strive to enhance my skills by staying engaged with online courses, tutorials, and collaborative projects. I am always open to new challenges and opportunities to expand my knowledge and skill set.

---

## Experience

Exelon Circuits Private Limited  
Back End Developer  
May 2024 - July 2024 (3 months)  
Surathkal

Excelon Circuit  
Back-End Developer Intern  
2022 - 2024 (2 years)

Developed and optimized backend services with Node.js, Express, and MongoDB, using MongoDB Realm for frontend queries. Implemented secure authentication with JWT and OAuth, and managed file storage with AWS S3 and Lambda. Built efficient RESTful APIs for seamless frontend-backend integration. Ensured code quality, performance, and security in an agile development environment.

BookMyDoc  
Node js, React js, Express js, Realm-web, AWS s3, MongoDB  
2019 - 2022 (3 years)

Built an online doctor appointment system with roles for admin, doctor, and receptionist. The project included booking time slots, managing patient-related files, Realm-web to write query in frontend, and storing files in AWS S3 buckets. This system streamlined appointment scheduling and securely handled patient records.

Family FundTracker  
Back-End Developer Intern  
2017 - 2019 (2 years)

I developed a web application, which can manage the Payment made by the users. I used Node.Js, Express.Js for backend and MongoDB a NOSQL database to store the details and EJS, a Template Engine for Frontend, which is a server side rendering technology to generate Dynamic web pages. It has the functionalities like get the pending status, generate bills, generate Excel sheet, and CRUD operation

---

## Education

St. Joseph's College Of Engineering vamanjoor

Master of Computer Applications - MCA, Computer Programming, Specific Applications · (February 2023)

Vijaya College, Mulki

Bachelor of Science , Computer Science · (2019 - 2022)

Lions English Medium High School Padubidri.

Vijaya College Mulki, Bachelor of Science (Computer science) · (June 2019 - September 2022)

St.Joseph Engineering College,Mangalore

Master, Computer Applications

PCMC.s

Bachelor of Science, React js
